The *Italian Journal of Food Safety* is the official journal of the Italian Association of Veterinary Food Hygienists.

The journal addresses veterinary food hygienists, specialists in the food industry and other experts offering technical support and advice on food of animal origin.

The *Italian Journal of Food Safety* publishes original research papers concerning food safety and hygiene, animal health, zoonoses and food safety, food safety economics. Reviews, editorials, technical reports, brief notes, conference proceedings, letters to the Editor, and book reviews are also welcome. Every article published in the journal will be peer-reviewed by experts in the field and selected by members of the Editorial Board.
